DO I **LOOK GOOD** IN THIS?

Our extensive range of formulations ensure there is the perfect formulation to meet all your skins needs. Before you spray your client we recommend a quick consultation which will ensure you can best select the right formulation and achieve the perfect result for your client. Further customise your service by personalising and refining rinse times to attain your clients desired colour depth.

DESIRED COLOUR	NATURAL	MEDIUM	DARK	DARK INTENSE
RINSE TIME 30MIN - 1HR	14% 15% 16%			
RINSE TIME 2HR - 3HR	8% 10% 11%	14% 15%	16%	
RINSE TIME 4HR - 5HR		11% 12%	14% 15%	16%
RINSE TIME 6HR +		8% 10%	11% 12%	14% 15%

HEALTHY SKIN IS IN

Our formulations are designed to treat the skin with intense hydration and nourishing skin properties to ensure the skin is healthy and replenished to achieve the perfect tan. Solutions can be tailored to suit specific skin concerns at the time of application. For normal skin, all MoroccanTan professional solutions are suitable. For those that have mature, sensitive or dry skin we recommend either the Exotic or Accelerated collection, and for oily skin types, our Original collection complements the skin best.

*The above guide is indicative, results may vary.
